

Tritton Site Access Instructions

1
Access kiosks

Walk through carpark, past change house to sign-in office with kiosks.

2
Sign in

Use kiosk to sign-in by 'swiping' ID or 'scanning' QR code printed on ID (manual sign-in possible, without ID). Visitors will be provided a temporary ID that will print out following a short induction.

3
Sign out

Use kiosks to sign-out – this can be done manually or with the ID's QR code.

Note: Hardware allowing drivers accessing site to sign-in/out is yet to be installed.
All drivers must park-up and shut-down their vehicles and follow the same sign-in/out process as pedestrians and passengers.
